<b>SSC</b>	(GPA – 9.8)	(2018)
S.D.B.Z.P.P Girl's High School, Board of Secondary Education		

## EXPERIENCE [Internship]

**Amaravathi Software Innovations Pvt.Ltd., Rajahmundry** (Aug 2023 – Oct 2023)  
*Assistant Software Developer*

- During my Internship, I had an opportunity to work on various software development projects.
- This experience deepened my understanding of web development processes, enhanced my technical proficiency, and strengthened my problem-solving and teamwork skills. My responsibilities included:
- Developed responsive web interfaces using HTML, CSS, and Angular, ensuring modular and efficient code.
- Authored clean, optimized, and maintainable code, while collaborating with senior developers to debug and resolve complex issues.

## SKILLS

<b>Web Development :</b>	HTML, CSS, Bootstrap, JavaScript, jQuery ,Angular
<b>Databases :</b>	SQL, MySQL
<b>Version Control :</b>	Git, GitHub
<b>Soft Skills :</b>	Communication, Teamwork, Adaptability

## PROJECTS

**Personal Portfolio Website :** Built a responsive portfolio to showcase my skills and projects using HTML,CSS, JavaScript. Designed a clean, professional layout to effectively engage potential recruiters.

**E – commerce Project :** Developed a fully responsive and user-friendly e-commerce interface for women's clothing and accessories using HTML, CSS, JavaScript and Angular. Focused on delivering a seamless user experience with optimized performance across all devices.

**Community Service Project :** Led a community health survey, gathering and reporting data from households. Collaborated in teams to ensure accurate data collection and clear communication with community members.

## PERSONAL TRAITS

- Self-motivated and eager to learn new things.
- Ability to work as an individual as well as in group.
